## PRINCIPAL'S REPORT

### Masquerade Ball at Box Hill Town hall

As a real community school, Kerrimuir has a proud tradition of creating fun and enjoyable social occasions for the families whose children attend our school, and their friends. The Masquerade Ball is a follow up to last year's Trivia Night and the previous year's Black and White Ball. As you will have read, this year's BIG event will be held on the evening of September 12<sup>th</sup>, in the Grand Ball Room of the historical Box Hill Town Hall (the large upstairs facility). These events are great fun - with people dressing causally or histrionically - as long as you have a mask of some sort you are welcome to attend. You may want to consider bringing along friends or joining a smaller group. The focus is on having fun and meeting other Kerrimuir families.

### Swimming

It is fantastic to see how many children will be swimming at the delightful Aquarena pool this year. The final notice went out last week and I am pleased to report, medical forms are already being returned!

If your child needs to purchase a new booklet, please remember to send this money separate to the cost of the swimming as we purchase the booklets on our first day at the pool.

### Chess at Kerrimuir

On Wednesday, 16<sup>th</sup> September Kerrimuir is hosting another Chess Competition in the Multi-Purpose Room for Chess Kids. As all Grade 5 and 6 children are on an excursion that day, all ten places allocated to us are available to children from Grades 1 to 4 who have some experience in playing Chess. If you are interested, please come and collect a permission form from me. There is a \$10 cost for the day. Mrs V has willingly volunteered to oversee the event.

*Karyn Simes-Martin*

*"Avoid the crowd. Do your own thinking independently. Be the chess player, not the chess piece."*

## FROM THE ART ROOM

The Six Seasons garden at the front of the school has now been planted out with seasonal flowering local plants. A big thankyou to all who have contributed. Its great to see the children enjoying the space.

Term 3 is very busy in the art room! The prep children have explored textiles, making owls from hessian covered with feathers. Grades 1/2 are currently creating modelled tea sets and 'Zoo Pictures' featuring various birds and animals. Their colourful drawings will feature in the art show in November. Grade 3/4 children designed and constructed wooden art works, enjoying learning to saw and glue, and have shown very creative ideas in the constructions. Do look for these in the main corridor of the school. Grade 5 students are busy drawing or constructing characters from the Greek Myths. Grade 6 students are creating a small mural of painted children's cartoons to brighten up our school. They are doing a fabulous job.

The art show will be held on the 9<sup>th</sup> and 10<sup>th</sup> of November this year. Volunteers to help out are needed. Please let me know if you can help! On a practical note, some recyclable items are useful in the art room. Items such as small disposable trays, and clear plastic containers with lids are welcome, please send them with your children on art day!

Thankyou, Mary-Lin Litchfield art teacher
